

Welcome back to the start of a new term at Danygraig! We hope you have had a wonderful Easter break and are ready for an exciting new term! Please find below details of the work that your child’s class will be doing during this term. We have also suggested ways in which you can help your child at home. If you have any queries or questions, please do not hesitate to get in contact with your child’s class teacher.

Thank you for your continued support,
Mr D. Field, Miss. R. Griffiths, Mr A. Byrne

Class: Year 6 **Term:** Summer Term – 2026

<p>Main areas of study:</p>	<p>Our topic this term is ‘Delicious Delights’.</p> <p>The children will be investigating and broaden their minds in their understanding of the science of food to lead to a healthy lifestyle. The children will have opportunities to decide on their learning through pupil lead questioning.</p> <p>They could be working on topics in relation to our ‘Delicious Delights’ topic such as:</p> <ul style="list-style-type: none"> • Investigate where food comes from and how it gets to the supermarkets. • Understand how food needs to be correctly stored, prepared and used to keep us safe and healthy. • Explore different cuisines from different countries, how they are made and how they taste. <p>Children will receive homework every Friday and will be an alternate Maths/Literacy focus each week. Homework must be completed and returned by the following Friday in homework books.</p> <p>In Maths we will be looking at: number and place value, written addition and subtraction, problem solving, reasoning and algebra, mental addition and subtraction, decimals, percentages and their equivalence to fractions, problem solving, reasoning and algebra, mental multiplication and division, measurement, mental multiplication and division, fractions, ratio and proportion, geometry, statistics, properties of shapes, worded problem solving and reasoning.</p> <p>Dojo messages and information will continue this year in the class groups. This is a simple and effective way of getting in touch, receiving information and seeing how your son/daughter is getting on through dojo points and posted videos. If you have any problems or need information about this or any other issues, please contact your child’s class teacher.</p>
<p>Ways in which you can help at home:</p>	<ul style="list-style-type: none"> • Please listen to your child reading at home every night. • Visit the local library to choose books relevant to topics being studied at school. • Discuss and talk through your child’s homework helping them with strategies and methods to solve it independently. • Talk to your child about the range of geographical features in their locality & globally. • Help your children by listening to them read, practice their times tables through TT Rockstars and help them to problem solve.
